Are cable trays expensive in the UK

Overview

Wire Mesh Cable Tray: Wire mesh cable trays consist of wire mesh panels or grids that form the bottom and sides of the tray.

Key Takeaways

Cable tray prices in the UK vary widely depending on type, material, size, and supplier, with options ranging from light-duty PVC trays to heavy-duty galvanised steel systems.

Types and Materials

Ladder Cable Trays: Ideal for heavy power and data cables; prices depend on width, length, and material (stainless steel, galvanised steel, or PVC). Wire Mesh / Basket Trays: Lightweight and flexible, suitable for data and communication cables; generally more affordable than solid steel trays. Single Rail Trays: Compact and cost-effective for smaller installations.

Stainless Steel Trays (304/316): High corrosion resistance, suitable for harsh environments; typically higher priced.

Electrogalvanised or Hot-

Dip Galvanised Steel: Durable and corrosion-resistant, medium to heavy-duty applications; prices increase with HDG coating.

PV

C Trays: Fire-resistant and weatherproof, often used in light-duty or outdoor installations; generally lower cost.

Pricing Factors

Tray Size: Width, depth, and length directly affect cost. Wider or longer trays are more expensive. Load Capacity: Light, medium, and heavy-duty trays have different price points; heavy-duty galvanised trays cost more.

Accessories and Fittings: Bends, tees, reducers, covers, and couplers add to the total cost. Supplier and Brand: RS PRO, Legrand, Cablofil, and StarTech offer premium options, while independent suppliers may provide competitive pricing. Delivery and Collection: Some suppliers offer free delivery or in-store collection, which can influence overall cost.

Typical Price Ranges (Indicative)Light-duty PVC trays: £10–£25 per metreMedium-duty galvanised steel trays: £20–£50 per metreHeavy-duty hot-dip galvanised steel trays: £40–£100+ per metreStainless steel trays: £60–£150+ per metreAccessories (couplers, bends, covers): £5–£30 each depending on size and material How to Obtain Exact PricesRS Online: Browse product range and request quotes for specific sizes and materials.
