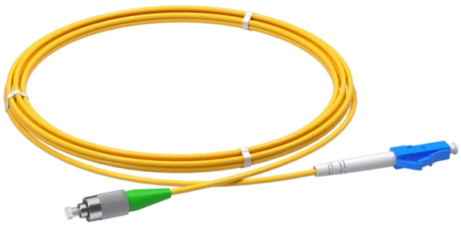
Finnish high-quality steel cable tray manufacturer



Overview

About us Founded in 1953, Meka Pro Oy is a renowned family company, specializing in manufacturing and marketing high-quality cable support systems. FinNucl.

Key Takeaways

Meka Pro Oy is a leading Finnish manufacturer of steel cable trays and comprehensive cable management systems. Meka Pro Oy, headquartered in Oulu, Finland, specializes in producing high-quality and competitive cable support systems for construction and industrial projects. Their product range includes steel cable ladders, steel cable trays, wire mesh trays, lighting tracks, and cable trunkings, designed for durability, ease of installation, and long service life.

The company also offers solutions for solar mounting systems and aluminum cable trunkings, catering to diverse project requirements.

Certifications and Quality Standards

Meka Pro Oy maintains ISO 9001, ISO 14001, and OHSAS 18001 certifications, ensuring high standards in quality management, environmental responsibility, and occupational health and safety. Their products are engineered to meet rigorous European and international standards, making them suitable for both domestic and international projects.
