MA

K Cable Trays & FabricatorsMAK Cable Trays & Fabricators, established in 2003, is recognized for producing perforated, ventilated, and bolted rung-type ladder trays. Their products include GI/MS covers to protect cables from moisture and environmental debris, which enhances fire resistance and durability. They are capable of handling large-volume orders and provide innovative solutions tailored to client needs, making them a strong option for construction and industrial projects requiring fireproof cable trays.

Key Considerations

When selecting a manufacturer in North Macedonia, consider: Material and fire resistance: Look for galvanized, stainless steel, or coated trays for enhanced fireproofing. Customization: Ensure the manufacturer can produce trays in the required dimensions and load capacities. Compliance and quality control: Verify adherence to international standards and certifications.

Delivery and support: Choose suppliers with reliable logistics and after-sales support. These three manufacturers—Brilltech Engineers, Jeetmull Jaichandlall, and MAK Cable Trays & Fabricators—are highly recommended for their quality, customization options, and industry experience, making them suitable for fireproof cable tray installations in North Macedonia.
