Huijue Hot-Dip Galvanized Cable Tray Prices

Overview

"Hot Dip Galvanized Cable Tray" Factory direct options come straight from the manufacturer, ensuring competitive pricing and available in trendy configurat.

Key Takeaways

Hot-dip galvanized cable tray prices vary based on size, material, and customization, typically ranging from $15 to $120 per meter depending on specifications and order volume. Price OverviewHot-dip galvanized (HDG) cable trays are priced according to tray type, width, height, material thickness, and galvanization quality. Standard ladder-type trays with widths of 150–600 mm and zinc coating thickness of at least 80 µm are commonly used in industrial and commercial projects.

Prices generally increase with larger dimensions, heavier gauge steel, or additional corrosion-resistant coatings. Bulk orders often reduce unit costs by 15–30%.

Factors Affecting Cost

Material: Galvanized steel, stainless steel, aluminum, or composite materials influence pricing.

HD

G steel is preferred for outdoor and corrosive environments. Tray Type: Ladder, ventilated, wire mesh, or fully enclosed trunking trays have different manufacturing costs. Fully enclosed trays for sensitive cables are more expensive due to additional shielding and corrosion protection.

Customization: OEM designs, specific lengths, perforation patterns, or special coatings can increase cost. Standards Compliance: Trays meeting ISO 1461, ASTM A123, or local electrical codes may carry a premium. Market Factors: Raw steel and zinc price fluctuations, shipping, import duties, and regional supply chain conditions affect final pricing.

Supplier Guidance

To obtain an accurate quote for Huijue hot-dip galvanized cable trays: Contact the supplier directly with specifications including tray type, dimensions, material grade, and quantity. Request sample testing reports for coating thickness and corrosion resistance. Compare multiple suppliers in China or Asia-Pacific regions, as they dominate production and may offer competitive pricing.

Consider total cost of ownership: installation, maintenance, and expected service life.

Estimated Price Range

Small ladder trays (150–300 mm width): $15–$40 per meterMedium trays (300–450 mm width): $35–$70 per meterLarge trays (450–600 mm width): $60–$120 per meterFully enclosed or specialized trays: $80–$150 per meter depending on corrosion protection and shielding requirements. For precise pricing, it is recommended to submit a detailed inquiry to Huijue or authorized distributors, specifying your project requirements, quantity, and delivery location. This ensures the quote reflects current material costs, shipping, and any customization.
