Italian ladder-type cable tray manufacturer supplies

Overview

Cable Trays Our range includes cable ladder accessories, joints, and fixing brackets that guarantee safe and quick assembly for all cable tray types, from.

Key Takeaways

Schiavetti Tekno (Spina Group) and FEMI-CZ are leading Italian manufacturers of ladder cable trays, offering high-quality, customizable solutions for industrial and infrastructure applications. Schiavetti Tekno (Spina Group)Schiavetti Tekno, part of the Spina Group, has been producing cable trays since 1964, specializing in ladder, perforated, closed, and wire-mesh trays for industrial and infrastructure projects. Their ladder trays are designed for high mechanical resistance and maximum ventilation, making them suitable for heavy-duty applications and high-temperature environments.

Materials include hot-dip galvanised steel, stainless steel, and optional aluminium, with standard widths like 300 mm and custom sizes available. Accessories such as elbows, junctions, and supports ensure modularity and safe installation, and all products comply with EN and UL standards. FEMI-CZFEMI-CZ manufactures metallic ladder trays in welded, clinched, and bolted versions, suitable for medium to large section cables and high load capacities.

Their ladder trays are available in Sendzimir hot-dip galvanised steel and AISI 304 stainless steel, with a wide range of rungs and side profiles to accommodate complex routes and easy cable installation. FEMI-CZ emphasizes mechanical continuity, torsional stiffness, and compliance with EN ISO welding standards, offering both standard and custom solutions for industrial, civil, and naval applications.
