Price of cable trays manufactured by professional manufacturers in Bhutan

Overview

Best Cable Trays In Bhutan | Cable Tray Manufacturer In Bhutan | Buy. Buy cable trays in Bhutan from one of the leading cable tray manufacturer in Bhutan.

Key Takeaways

The cost of cable trays in Bhutan typically ranges from $2 to $25 per meter, depending on material, type, size, and coating, with galvanized steel being the most common choice.

Pricing Overview

Cable tray prices vary widely based on material and design. Galvanized steel trays, commonly used in Bhutan, offer a balance of durability and cost, while stainless steel and aluminum trays are more expensive due to corrosion resistance and lightweight properties. Plastic trays are cheaper but not suitable for heavy loads.

The type of tray—ladder, perforated, or wire mesh—also affects the price, with ladder trays generally costing more due to higher load capacity.

Local Suppliers in Bhutan

Kiash Electricals supplies hot-dip galvanized and powder-coated cable trays to Bhutan from Kolkata, India. Their products are designed for industrial, commercial, and residential applications, offering high load capacity, low maintenance, and compliance with international standards. Brilltech Engineers Pvt.

© 2026 CJC FIBRE CONSULTANTS - All rights reserved

Ltd manufactures and supplies a wide range of cable trays in Bhutan, including ladder, perforated, PVC, mild steel, and stainless steel options. They provide customized solutions and ensure timely delivery and after-sale support.

Cost Factors

Material and Coating: Hot-dip galvanized trays cost more than pre-galvanized or powder-coated trays but last longer in outdoor or humid conditions. Size and Load Capacity: Wider or heavier-duty trays increase the price per meter. Quantity and Bulk Orders: Large orders can reduce the per-meter cost.

Shipping and Installation: Importing trays from India or other suppliers adds transportation costs, and installation labor varies by project complexity.

Estimated Price Range

Based on supplier information and market trends, galvanized steel cable trays in Bhutan can cost approximately $5 to $15 per meter for standard sizes, while premium stainless steel or heavy-duty ladder trays may reach $20–$25 per meter. Bulk orders or long-term contracts may offer discounts.

Recommendation

For accurate pricing, it is advisable to contact local suppliers directly with specifications such as tray type, length, width, and coating. Both Kiash Electricals and Brilltech Engineers provide quotations and can advise on shipping and installation costs for Bhutan.
