Recommended Manufacturers of Fiberglass Cable Trays in Singapore

Overview

Contact Ferrotech today to discuss your specific project requirements and explore how our FRP Cable Tray Systems can provide the perfect solution for your needs.

Key Takeaways

Top manufacturers of fiberglass cable trays in Singapore include Ferrotech, AE Hub, Kensteel Engineering, Voltecx, and United U-Li Projects, offering durable, corrosion-resistant, and fire-retardant solutions.

Leading Manufacturers

Ferrotech Ferrotech provides FRP cable tray systems made from premium fire-retardant resins reinforced with fiberglass, offering high strength, UV resistance, and excellent electrical insulation. Their trays are ideal for harsh environments such as chemical plants, refineries, and marine applications. Options include Isophthalic Polyester (IFR) and Vinyl Ester resins, meeting stringent fire safety standards and supporting heavy cable loads without compromising structural integrity.

AE Hub A

E Hub supplies FRP/GRP cable trays and ladders that are flame retardant, halogen-free, and UV resistant. Their products comply with NEMA FG-1 and ASTM E-84 standards, making them suitable for outdoor and industrial applications. The lightweight, chemical-resistant, and corrosion-resistant properties of their trays make them a reliable choice for long-term installations.

Kensteel Engineering Kensteel Engineering manufactures copper-free aluminum alloy and fiberglass cable support systems. They specialize in turnkey solutions for marine, offshore, and petrochemical projects, offering Singapore Quality Mark (PSB approved Class 1) certified cable trays. Their expertise includes custom fabrication and project management for complex industrial installations.

Voltecx Voltecx is a premier Singapore-based manufacturer of cable trunkings, trays, ladders, and conduits. They focus on high-quality, innovative cable management solutions for construction and industrial projects, providing tailored systems for diverse infrastructure needs.

United U-

Li Projects Pte Ltd Established in 2009, United U-Li Projects offers a comprehensive range of cable trays, trunkings, ladders, conduits, and floor trunking systems. Their products are designed for diversified industrial projects in Singapore, ensuring high quality and reliable performance.

Key Considerations

When selecting a fiberglass cable tray manufacturer in Singapore, consider: Corrosion resistance for chemical or marine environmentsFire retardancy and safety certifications (ASTM E-84, NEMA FG-1, PSB Class 1)Load-bearing capacity for heavy cable installationsUV and thermal resistance for outdoor applicationsCustomization and project support for complex installations These manufacturers provide a range of options to meet industrial, commercial, and outdoor cable management requirements in Singapore.
