Key Takeaways

Leading fireproof cable tray manufacturers in Thailand include N. R. Engineering, Niedax Thailand, SMC Siam, and TST Metal Work, offering high-quality metallic and fire-resistant cable management systems.

Key Manufacturers1. N. R.

Engineering Co., Ltd. N. R.

Engineering supplies raceways, cable trays, and electrical control cabinets from the Japanese brand KJL. Their products are ISO 9001: 2015 certified and designed for indoor and outdoor installations with high corrosion and temperature resistance, making them suitable for fireproof and heat-resistant applications. 2.

Niedax Thailand A subsidiary of Niedax GmbH, Niedax Thailand offers complete cable management systems in steel, stainless steel, fiberglass reinforced polyester, and PVC. Their ladder trays, mesh grid trays, and conduits are engineered for safety and durability, suitable for fire-resistant installations in industrial and commercial projects. 3.

SM

C Siam Established in 1991, SMC Siam specializes in cable tray system manufacturing with modern machinery and computer-controlled production. They emphasize high-quality standards and prompt service, producing metallic cable trays that can meet fireproof and high-temperature requirements. 4.

TS

T Metal Work Co., Ltd. With over 16 years of experience, TST Metal Work manufactures metallic cable tray systems for various projects worldwide. Their products are designed for durability and compliance with industrial standards, making them a reliable choice for fire-resistant cable management.

Considerations for Fireproof Cable Trays

Material: Steel, stainless steel, and fiberglass reinforced polyester are commonly used for fire-resistant trays. Certifications: Look for ISO 9001: 2015 or equivalent quality certifications. Installation: Ensure the trays are suitable for indoor or outdoor use and can withstand high temperatures.

Project Support: Companies with experienced production teams and technical support can assist with custom designs and large-scale installations. These manufacturers provide a range of fireproof cable tray solutions suitable for industrial, commercial, and infrastructure projects in Thailand.
