Which fiber optic cable manufacturers produce fiber optic cables in Pakistan

Overview

Top Fiber Optic Cable Manufacturing Companies in Discover all relevant Fiber Optic Cable Manufacturing Companies in Pakistan, including Pakistan Telephone.

Key Takeaways

Pakistan hosts several leading fiber optic cable manufacturers, including PTCL Cables, Litech, Ultratech, Infrasol, and Premier Cables, offering high-quality products for telecom and broadband networks. Leading Manufacturers1. Pakistan Telephone Cables Limited (PTCL Cables) Established in 1983, PTCL Cables operates state-of-the-art facilities capable of producing all types of optical fiber cables, copper telecom cables, HDPE pipes, and power cables.

Their production includes single-mode and multi-mode fiber cables suitable for indoor and outdoor applications, serving both government and private sector clients across Pakistan. 2. Litech Sdn Bhd (LITECH) LITECH, active in Pakistan since 2018, offers a wide range of fiber optic products, including test equipment from Sumitomo (Japan) and EXFO (Canada).

With in-house design and manufacturing in Faisalabad, LITECH serves major telecom operators like PTCL, Wateen Telecom, and Zong, and collaborates with global contractors such as Huawei and ZTE. 3. Ultratech Ultratech specializes in CLT (Central Loose Tube) optical fiber cables designed for aerial installations.

Their cables are engineered for durability, UV resistance, and mechanical stress, making them suitable for telecom operators, ISPs, and CATV providers. Ultratech emphasizes local production, customization, and rigorous quality assurance. 4.
