Cuban Custom Cable Tray Manufacturer

Overview

Since 1982, VALDINOX has been designing and manufacturing wire mesh cable trays, supports, and easy-installation accessories. Since then, we have dedicated all our experience and technical...

Key Takeaways

Cuba has several reputable manufacturers offering custom cable tray solutions, including Cable House and Micro Sheet Crafts, providing modular, high-quality, and tailored products. Key Manufacturers1. Cable House Founded in 1983, Cable House is recognized for manufacturing a wide range of electrical products, including custom cable trays.

They specialize in providing tailor-made solutions to meet diverse industrial requirements, ensuring high durability, reliable performance, and long service life. Cable House serves both national and international markets and emphasizes quality control and customer satisfaction, making them a trusted supplier for customized cable tray systems in Cuba. 2.

Micro Sheet Crafts Established in 2006, Micro Sheet Crafts offers modular and customized cable trays fabricated from high-grade steel and other durable materials. They focus on quality-centric solutions and provide products that pass stringent quality tests. Their offerings are designed to meet specific client requirements, with on-time delivery and competitive pricing.

Micro Sheet Crafts is well-known for its ability to deliver customized packing and tailored solutions for industrial and commercial applications in Cuba.

Additional Information

Both companies provide customization options for size, design, and material to suit specific project needs. They emphasize durability and compliance with quality standards, ensuring long-term reliability in electrical installations. Clients can contact these manufacturers directly via email or phone to discuss specifications, request quotes, and arrange delivery.

For projects requiring Cuban-type cable trays, these manufacturers are among the most reliable options, offering both standard and custom solutions to meet industrial and commercial requirements.
