

Czech fireproof cable tray spot price

Overview

We offer Cable Tray in Czech Republic in different specifications at competitive market prices. Our range is customized and passes stringent quality tests, before reaching the market.

Key Takeaways

Fireproof cable trays in the Czech Republic typically range from €15 to €50 per meter, depending on material, type, and load capacity.

Price Overview

The cost of fireproof cable trays varies based on material, design, and load rating:

- Steel or galvanized steel trays: Common for industrial and commercial installations, prices generally range from €15 to €35 per meter for standard ladder or mesh trays. Higher load or corrosion-resistant finishes can increase the price to €40-50 per meter.
- Aluminum trays: Lightweight and corrosion-resistant, usually €25-45 per meter.

Fiberglass reinforced polyester (GRP) trays: Fire-resistant and suitable for chemical or high-humidity environments, prices can reach €40-60 per meter. These trays are often mesh or ladder types, with fireproof coatings or inherently fire-resistant materials, and are designed for industrial, transport, energy, and oil & gas sectors.

Suppliers in the Czech Republic:

- ARKYS: Leading Czech manufacturer of wire mesh cable trays, offering durable and fire-resistant options.

FEMI-CZ: Provides high-performance metal and GRP cable trays, including custom solutions for large installations.

Local B2

B marketplaces: Platforms like Kompass.cz list multiple Czech suppliers of fireproof and self-extinguishing cable trays, allowing direct inquiries for quotes. Wire Meshes Czech Republic: Offers affordable, durable cable trays made from recyclable steel or aluminum, suitable for fire-resistant applications.

Factors Affecting Price

Material type: Steel, aluminum, or GRP. Tray type: Ladder, mesh, or trunking. Load capacity: Heavier-duty trays cost more.

Fireproof rating: Higher fire resistance increases cost. Length and accessories: Supports, brackets, and fasteners add to total price. For accurate spot pricing, it is recommended to contact local suppliers directly or request a quote through B2B platforms, as prices fluctuate with material costs and market demand.
