## Key Takeaways

Leading South African cable tray manufacturers offering direct sales include Hutaib Electrical, Advanced Strut, Central Support Systems, Ceiling Power Pole, and The Cable Manager.

### Key Manufacturers and Suppliers

Hutaib Electrical – Established in 2001, Hutaib Electrical manufactures and supplies a wide range of cable trays across South Africa, including wire mesh, basket, perforated, ladder, and closed (box) cable trays. They also provide accessories such as bends, elbows, tees, and reducers. Hutaib offers customization options and finishes like GI hot-dip, pre-galvanized, powder-coated, and stainless steel (SS-202/304/316), ensuring compliance with industrial standards and direct delivery to clients.

Advanced Strut – Founded in 2012 in Cape Town, Advanced Strut manufactures and supplies cable management solutions including cable ladders, wire mesh trays, support channels, PVC and steel power skirting, and wire hanger systems. They serve commercial and industrial sectors throughout South Africa, providing direct sales and expert advice on installation and product selection. Central Support Systems (CSS) – Operating since 1996, CSS offers a full range of cable support products such as cable ladders, perforated trays, wire baskets, channel support systems, and trunking.

With branches in Johannesburg, Pretoria, Durban, Cape Town, and Namibia, CSS provides direct sales, installation accessories, and solutions for solar and industrial applications. Ceiling Power Pole – Specializes in wire mesh (basket), perforated, and return flange cable trays suitable for server rooms, industrial sites, and showroom applications. They provide direct sales and supply all necessary accessories for installation.

The Cable Manager – Supplies cable trays, ladders, wiring channels, steel trunking, and related accessories. They serve electrical contractors, construction companies, and industrial facilities across South Africa, offering direct sales and fast delivery to major cities including Johannesburg, Pretoria, Durban, Cape Town, and Port Elizabeth.

### Considerations for Direct Purchase

Product Type: Choose between wire mesh, perforated, ladder, or box trays depending on your installation needs. Material and Finish: Options include galvanized steel, powder-coated, or stainless steel for durability and corrosion resistance. Accessories: Ensure availability of bends, elbows, tees, reducers, and mounting hardware.

Regional Service: Many suppliers have branches or delivery networks across South Africa for prompt service. Customization: Some manufacturers offer tailored solutions for specific industrial or commercial requirements. These manufacturers provide reliable direct sales channels, ensuring quality products, customization, and support for electrical, industrial, and commercial projects throughout South Africa.
