Free quote for polarization-guaranteed OM4 fiber optic cable in Sudan

Overview

Fiber4u offers fiber optic cables, rack cabinets, copper cabling data&network solutions, and more with 20 years of experience. Get affordable and reliable network solutions with worldwide shipment.

Key Takeaways

OM4 multimode fiber optic cables are available from international suppliers who can provide free quotes and custom specifications for delivery to Sudan. Supplier Options and SpecificationsFiber4u offers OM4 fiber cables with a 50/125 µm core, supporting 10 Gbps over 400 meters, suitable for data centers and high-speed networks. They provide cables from 4 to 96 cores and can fulfill custom fiber cable requests, including polarization-guaranteed options.

Free quotes and project-based pricing are available via phone or WhatsApp contact. FS.com supplies OM4 multimode cables with bend-insensitive fiber design, tested for insertion loss and return loss, supporting 40G/100G networks. They provide detailed technical specifications and can assist with custom orders.

Mouser Electronics stocks OM4 fiber optic cables with datasheets and pricing information. While they primarily serve Europe, they can provide inventory and technical details that may help in preparing a quote. Eland Cables offers a wide range of indoor and outdoor fiber optic cables, including loose tube and tight-buffered OM4 multimode cables.

They provide customized solutions, fast quotes, and international logistics support, which can be used to request delivery to Sudan. How to Obtain a Free QuoteContact suppliers directly via their website forms, email, or WhatsApp for project-based pricing. Specify requirements: cable type (OM4), core count, length, indoor/outdoor use, armored or LSZH jacket, and polarization guarantee.

Ask for shipping options to Sudan and any applicable import/export considerations. Request technical datasheets to ensure the cable meets your performance and polarization specifications. Pricing ConsiderationsOM4 cables are generally more expensive than OM1–OM3 due to higher bandwidth and performance features.

Costs vary based on fiber count, jacket type, and pre-terminated assemblies. Custom or polarization-guaranteed cables may incur additional charges, but suppliers like Fiber4u and Eland Cables can provide tailored quotes. By reaching out to these suppliers with your project specifications, you can obtain a free, accurate quote for OM4 fiber optic cables suitable for Sudan.
