Niedax CMS Ireland and Peter Curran Electric are leading providers of high-quality stainless steel cable trays in Ireland.

Niedax CMS Ireland

Niedax CM

S Ireland is part of the global Niedax Group, one of the world's largest cable tray manufacturers. They specialize in Quick Fit Cable Management Systems and provide expert support from design to installation. Their stainless steel cable trays are suitable for industrial, commercial, and data center projects, offering durability, corrosion resistance, and compliance with professional standards.

They serve all four Irish provinces and provide guidance on product selection, delivery lead times, and cost-effective solutions for large-scale projects (Niedax CMS Ireland).

Peter Curran Electric

Peter Curran Electric, based in Galway, offers a comprehensive range of cable trays and trunking crafted from high-quality materials. Their stainless steel trays are designed for long-lasting performance and easy integration into new or existing installations. The company emphasizes customer support, helping clients choose the right tray size, load capacity, and installation method.

They cater to both domestic and industrial projects, ensuring a durable and reliable cable management solution (Peter Curran Electric).

Additional Suppliers

Other national electrical wholesalers, such as Electrical Wholesaler Ireland and National Electrical Wholesalers, provide a wide selection of durable cable trays, including stainless steel options. These suppliers offer competitive pricing, fast delivery, and nationwide coverage, making them suitable for smaller projects or bulk orders (Electrical Wholesaler Ireland, National Electrical Wholesalers).

Recommendation

For industrial or large-scale projects, Niedax CMS Ireland is highly recommended due to their global manufacturing expertise and technical support. For flexible, locally supported solutions, Peter Curran Electric provides high-quality stainless steel trays with personalized guidance. Both options ensure durable, corrosion-resistant cable management systems suitable for professional installations.
