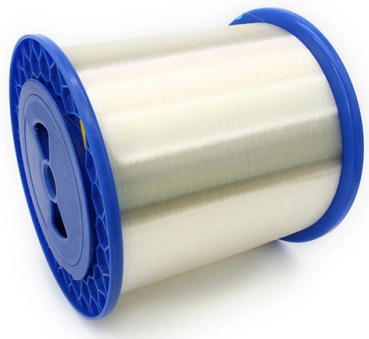
Italian Overhead Cable Tray Manufacturer



Overview

Cable Trays Schiavetti Tekno, part of Spina Group, is a leading Italian manufacturer of cable trays and accessories for electrical and instrumentation syst.

Key Takeaways

Leading Italian manufacturers of overhead cable trays include Spina Group, FEMI-CZ, Zamet, SITIE Impianti Industriali, and SATI Italia, offering high-quality, customizable solutions for industrial and infrastructure projects.

Key Manufacturers

Spina Group (Schiavetti Tekno) Schiavetti Tekno, part of Spina Group, has been producing cable trays since 1964. They offer stainless steel, galvanized, and wire cable trays in various types, including closed, perforated, ladder, and wire-mesh designs. Their systems are designed for strength, corrosion resistance, and long-term performance, with custom sizes available, such as the popular 300 mm trays.

Products comply with European (EN) and international (UL) standards, and the company provides full technical support and after-sales assistance. FEMI-CZ FEMI-CZ specializes in galvanised and stainless steel cable trays, emphasizing corrosion resistance and durability. Their trays are suitable for challenging environments and come in multiple sizes and designs, supporting both small-scale installations and large infrastructure projects.

Sustainability in manufacturing is a key focus.

Zamet Sp

A Zamet offers fully customizable cable tray systems, including ladder trays, wire mesh trays, and solid-bottom trays. With over 40 years of experience, they provide solutions for both civil and industrial applications, ensuring high load capacity, corrosion resistance, and adaptability to customer-specific designs.

SITIE Impianti Industriali SITI

E has been serving the plant industry since 1945, producing hot-dip galvanized, stainless steel, Sendzimir, and aluminum trays. They focus on robustness, compliance with strict industry standards (including Oil & Gas), and flexibility in customization, even for small production lots. Their expertise covers the entire supply chain, including certifications and testing.

SATI Italia SAT

I Italia is another notable manufacturer, providing cable management solutions with a focus on industrial and infrastructure applications. They offer a range of materials and designs, ensuring compliance with international standards and project-specific requirements. Considerations for Choosing a ManufacturerMaterial Quality: Stainless steel or galvanized steel for durability and corrosion resistance.

Customization: Ability to produce trays in specific sizes or configurations. Certifications: ISO, CE, EN, and UL compliance for safety and quality assurance. Industry Expertise: Proven track record in industrial, infrastructure, or commercial projects.

Customer Support: Technical assistance, installation guidance, and after-sales service. These Italian manufacturers are recognized for combining durability, flexibility, and reliability, making them suitable for industrial plants, commercial buildings, and infrastructure projects.
