Kuwait Rail-Modified Industrial Switch Manufacturer

Overview

About Established in 2008, Lougin Factory Switch Gear has become a leader in the switchgear business in Kuwait. Our expertise spans manufacturing, trading.

Key Takeaways

Key industrial switch rail and switchgear manufacturers in Kuwait include AL FAJR AL JADID, Electrical Projects Company (EPC), AL-AHLEIA SWITCHGEAR, and IEPC, offering low and medium voltage solutions for industrial applications. Leading ManufacturersAL FAJR AL JADID Established in 1992, AL FAJR AL JADID specializes in the design, manufacture, and after-sales service of low voltage electrical control switchgear and industrial automation solutions. They provide a wide range of electrical control components, low voltage switchgear, and industrial automation services, emphasizing quality, safety, and compliance with Kuwait HSE regulations.

Their offerings include customized control panels, electrical solutions, and integration of automation hardware and software from global brands. Electrical Projects Company (EPC) EPC has over four decades of experience in Kuwait's electrical industry, focusing on low voltage distribution equipment. Their product range includes switchboards, distribution boards, motor control centers, feeder pillars, and transfer switches.

S. C. C AL-AHLEIA SWITCHGEAR is a recognized manufacturer of industrial switchgear in Kuwait, providing solutions for power protection and distribution.

They focus on delivering high-quality switchgear products suitable for industrial and commercial applications. Industrial Electrical Products Company (IEPC) IEPC manufactures single busbar switchgear up to 11KV, main low tension boards, protection and control panels, and containerized substations up to 132KV. Their products cater to industrial and utility-scale electrical distribution needs, offering robust solutions for high-current and high-voltage applications.

Additional Notable Suppliers

Other companies in Kuwait, such as Al Mulla Engineering (AME), Bait Al Aseel, APeCO, and Hadeed Trading, provide complementary electrical solutions including high, medium, and low voltage cables, capacitor banks, UPS systems, and overhead line switches, which are relevant for industrial switchgear projects.

Summary

For industrial switch rail and switchgear needs in Kuwait, AL FAJR AL JADID, EPC, AL-AHLEIA SWITCHGEAR, and IEPC are the primary manufacturers offering comprehensive solutions for low and medium voltage applications. These companies provide design, manufacturing, and after-sales support, ensuring compliance with safety standards and industrial requirements. Additional suppliers like AME and Hadeed Trading can support related electrical infrastructure and components.
