Myanmar electrical distribution box brands

Overview

Distribution Box | Grand Imperial Co., Ltd. (Myanmar)No.44, Thein Phyu Road, Pazundaung Township, Yangon. © 2026 Grand Imperial Co., Ltd. All rights reserv.

Key Takeaways

Khin Maung Tun & Brothers, IEM Myanmar, and Pacific Electric Co., Ltd. are among the leading and reputable suppliers of electrical distribution boxes in Myanmar. Key Suppliers and Brands1. Khin Maung Tun & Brothers (KMTB) KMTB is a well-established company in Myanmar's electrical industry, providing a wide range of low, medium, and high voltage electrical products, including distribution boxes.

They are known for reliable supply, next-day delivery, and strong customer service, making them a preferred choice for both commercial and industrial projects in Myanmar. 2.

IEM Myanmar IE

M Myanmar specializes in power generation, distribution systems, and electrical engineering solutions. They offer a variety of industrial and commercial electrical products, including distribution boxes, and provide installation, commissioning, and maintenance services. Their engineering expertise ensures that products meet both safety and performance standards.

3. Pacific Electric Co., Ltd. Pacific Electric imports high-quality, proven electrical products and supplies them to government utilities and private industries.

They focus on distribution system improvement and electrical project implementation, making them a reliable source for durable and compliant distribution boxes. 4. Myanmar Distribution Group (MDG) While MDG primarily focuses on distribution services, they have a nationwide network capable of supplying electrical products, including distribution boxes, to a wide range of outlets.

Their extensive logistics and market knowledge ensure efficient delivery and support for large-scale projects. Considerations When Choosing a BrandCompliance and Safety: Ensure the distribution boxes meet Myanmar Electrical Standards and international safety certifications.

After-

Sales Support: Companies like KMTB and IEM Myanmar provide installation guidance, maintenance, and AMC services. Availability and Delivery: Look for suppliers with local stock and fast delivery, especially for large projects. Project Experience: Suppliers with experience in government and industrial projects often provide more reliable and tested products.

These companies represent the most trusted and reputable sources for electrical distribution boxes in Myanmar, combining quality products with strong service and technical support.
