Nepal Fireproof Cable Tray Price Inquiry

Overview

We are a top Cable tray Suppliers and Wholesalers in Nepal, Supplying Cable tray at Factory Prices. Call +919310048509.

Key Takeaways

Fireproof cable trays in Nepal typically range from NPR 1,500 to NPR 6,000 per meter, depending on material, size, and manufacturer.

Price Overview

The cost of a fireproof cable tray in Nepal depends on several factors: Material: Fireproof trays are usually made from stainless steel (SS-202/304/316) or powder-coated galvanized steel, which are resistant to high temperatures and corrosion. Stainless steel trays are more expensive than GI (galvanized iron) trays. Type: Ladder-type, perforated, and wire mesh trays are common.

Ladder-type trays are widely used in industrial settings for heavy-duty fireproof applications. Dimensions: Widths range from 40mm to 1000mm, heights from 30mm to 100mm, and thicknesses from 1. 2mm to 3mm.

Larger and thicker trays cost more. Finish: Hot-dip galvanized, pre-galvanized, or powder-coated finishes affect durability and price. Estimated CostsSmall-scale or residential fireproof trays (narrow width, 1.

2–1. 5mm thickness): NPR 1,500–2,500 per meter. Medium industrial trays (width 100–300mm, thickness 2mm): NPR 3,000–4,500 per meter.

Heavy-duty or large stainless steel trays (width 450–1000mm, thickness 3mm): NPR 5,000–6,000 per meter.

Suppliers in Nepal

Some reliable suppliers and manufacturers include: Hutaib Electricals: Offers GI, powder-coated, and stainless steel cable trays with customizable sizes. Vaishno Storage Solution: Specializes in ladder-type and perforated stainless steel trays suitable for fireproof applications. Super Cable Tray Pvt.

Ltd.: Provides GI, stainless steel, and aluminum trays, including ladder and perforated types for industrial and commercial use. Spangle Steel Products: Supplies durable stainless steel cable trays at factory prices.

Tips for Procurement

Confirm fireproof certification or compliance with local fire safety standards. Consider load capacity and installation environment (indoor, outdoor, high-temperature areas). Request quotes from multiple suppliers to compare prices and delivery options.

Bulk orders may reduce the per-meter cost. By considering material, type, and size, you can select a fireproof cable tray that balances safety, durability, and cost for your project in Nepal.
