Oman has a long history of selling optical fiber cables

Overview

Oman Fiber Optic (OFO) was constituted in 1996 and commenced cable production in early 1999. Located in Muscat, the capital of the Sultanate of Oman, OFO uses state of the art technology to draw fiber and manufacture world class fiber cable products. Founded in 1996, OFO has grown from its roots as a fiber and cable manufacturer into a trusted regional provider of comprehensive fiber. Thank you to everyone who visited us at Booth F-45, Hall 7 — it was a pleasure connecting with industry leaders, exploring collaborations, and showcasing our advanced optical fiber cable solutions. We look forward to building on the conversations and taking these opportunities forward. OFO manufactures cables for long haul backbone communication. Oman Fiber Optic Co SAOC is an Oman based company.
