Prices from Color Steel Cable Tray Manufacturers

Overview

Steel Cable Tray Price, 2026 Steel Cable Tray Price Manufacturers. Factory direct options come straight from the manufacturer, ensuring competitive prici.

Key Takeaways

Pricing for color steel cable trays varies by material, size, finish, and order volume, with direct quotes available from verified manufacturers and B2B platforms.

Key Factors Affecting Price

Material Type: Color steel trays are typically powder-coated or painted steel. Prices differ from galvanized iron, stainless steel, or aluminum trays due to material cost and corrosion resistance. Tray Configuration: Ladder, perforated, and solid-bottom trays have different manufacturing complexities, affecting cost.

Dimensions and Thickness: Widths range from 50 mm to 600 mm, and thickness from 0. 8 mm to 2. 5 mm.

Larger or thicker trays increase material usage and price. Customization: Custom lengths, bends, tees, and covers may increase unit cost, especially for small orders. Order Volume: Bulk orders often reduce per-unit cost, while small MOQs for custom trays may be higher.

Recommended Manufacturers and PlatformsTradeWheel: Offers global suppliers for standard and custom cable trays, including color steel options, with direct communication for pricing.

How to Obtain Pricing

Contact Manufacturers Directly: Use B2B platforms to request quotes specifying tray type, material, finish, dimensions, and quantity. Compare Multiple Suppliers: Evaluate delivery times, certifications (ISO, UL, CE), and after-sales support to ensure value for money. Consider Shipping and Import Costs: International suppliers may offer lower unit prices but factor in freight, customs, and lead times.

By following these steps, you can obtain accurate, competitive pricing for color steel cable trays tailored to your project requirements.
