Ranking of Maltese Cable Tray Manufacturers

Overview

maltese-stainless-steel-cable-tray-manufacturer The PIT Group stands for production, innovation, and technology and is your reliable partner for comprehens.

Key Takeaways

For high-quality cable tray systems in Malta, Eaton, Schneider Electric, Legrand, and Atkore are among the top manufacturers, with local availability through suppliers like BigMat Malta.

Leading Global Manufacturers

Eaton Corporation – Offers comprehensive galvanized cable tray systems suitable for industrial, commercial, and utility projects. Known for durability and reliability in demanding environments. Schneider Electric – Provides robust cable management solutions designed for challenging industrial settings, including oil, gas, and chemical facilities.

Legrand Group – Specializes in aesthetically appealing and durable cable trays for modern infrastructure, suitable for both commercial and residential projects. Atkore International (Cope Cable Tray) – Offers highly durable galvanized cable trays, including specialized solutions for petrochemical and power generation facilities. Other notable manufacturers include Marco Cable Tray Systems, AFC Cable Systems, and nVent Oglaend, which provide versatile and high-performance options for complex installations.

Local Availability in MaltaBigMat Malta supplies a range of cable management systems, including trunking and floor cable trays suitable for offices, homes, and commercial buildings. While they primarily stock standard cable trunking, they can assist in sourcing high-quality galvanized or custom cable trays from international manufacturers.

Choosing the Best System

When selecting a cable tray system in Malta, consider: Material: Galvanized steel for durability, aluminum for lightweight installations, or fiberglass for corrosion resistance. Type: Ladder, perforated, or solid-bottom trays depending on cable type and load. Customization: Some manufacturers like Atkore and Chalfant offer made-to-order solutions for complex layouts.

Compliance: Ensure the system meets local electrical codes and safety standards.

Recommendation

For industrial or large-scale projects, Eaton, Schneider Electric, or Atkore are recommended due to their proven reliability and global reputation. For smaller commercial or residential projects, Legrand or locally available systems through BigMat Malta provide a balance of quality and accessibility. By combining global quality standards with local supply options, you can secure a cable tray system that is both durable and suitable for Maltese infrastructure needs.
