S9820 Switch Optical Module

Overview

H 3 C S9820 series QSFP+ transceiver module QSFP-40G-SR4-MM850 LASX-T2733 (3327) X-ER is hot pluggable 3. 3V Small-Form-Factor transceiver module. It designed expressly for high-speed communication applications that require rates up to 11. These switches provide high density 400GE/100GE/40GE/25GE/10GE ports; supports redundant pluggable power supplies and fans, and the fan direction can be. The S9820-64H, S9820-8C, and S9820-8C-SAN switches support a wide range of transceiver modules and cables. For more information about transceiver modules and cables, see H3C Transceiver. H3C S9820 switch supports high-density 100GE/40GE/25GE/10GE ports. It can support 32 400GE ports or 100GE ports. This preface includes the following topics about the documentation: • Audience. •. H3C S9820-8C & S9820-8C-SAN Switches Hardware Information and Specifications describes the product models, technical specifications, removable components, ports, LEDs, and cooling system of the S9820-8C & S9820-8C-SAN Switches.

H3C S9820-64H & S9820-8C & S9820-8C-SAN Switches Transceiver

The S9820-64H, S9820-8C, and S9820-8C-SAN switches support a wide range of transceiver modules and cables. See Table 1 for the transceiver modules and cables supported by

Optical Transceiver Manufacturer,Optical Module

The above is the optical module solution of H3C S9820 series switch provided by ETU-LINK. The S9820 switch supports high-density 400GE/100GE/40GE ports.

H3C S9820 Series

The S9820 switch series provides multiple reliability protection at both switch and link levels. With over current, overvoltage, and overheat protection, all models have a redundant pluggable power module,

H3C S9820-8C-SAN INSTALLATION MANUAL Pdf Download

For the optional fan modules and their specifications, see H3C S9820-8C & S9820-8C-SAN Ethernet Switches Hardware Information and Specifications. The switch supports shipping with fan modules

H3C S9820-8C & S9820-8C-SAN Switches

The switch came with the eight interface module slots each installed with a filler panel. You can install one to eight interface modules for the switch as needed.

H3C S9820 Data Center Switch Overview

The series includes two models, S9820-64H and S9820-8C, with capabilities for high bandwidth and low latency, supporting up to 128 100G ports or 32 400G ports. These switches also provide robust

H 3 C S9820 Series Qsfp+ Transceiver Module Qsfp

LASX-T2733 (3327) X-ER is hot pluggable 3.3V Small-Form-Factor transceiver module. It designed expressly for high-speed communication applications that

H3 C Qsfp-40g-Sr4-mm850 S9820 Series Qsfp+ optical Transceiver

H3 C Qsfp-40g-Sr4-mm850 S9820 Series Qsfp+ optical Transceiver Module, Find Details and Price about Transceiver Module optical Module from H3 C Qsfp-40g-Sr4-mm850 S9820 Series Qsfp+

Optical Transceiver Manufacturer,Optical Module Selection Scheme

© 2026 CJC FIBRE CONSULTANTS - All rights reserved

The above is the optical module solution of H3C S9820 series switch provided by ETU-LINK. The S9820 switch supports high-density 400GE/100GE/40GE ports. In the three-tier architecture of the data

H3C S9820-8M INSTALLATION MANUAL Pdf Download | ManualsLib

The switch provides eight interface module slots. For the interface modules available for the switch and the interface module specifications, see H3C S9820-8M Switch Hardware Information and

H3C S9820-64H MANUAL Pdf Download | ManualsLib

If the switches are all in one equipment room, choose QSFP28 cables for IRF connections. If the switches are far away from one another, choose QSFP28 transceiver modules and fibers for IRF

H3C S9820-8C-SAN INSTALLATION MANUAL Pdf Download

Page 40 Transceiver modules and optical fibers can be combined flexibly and is suitable for longer distance connections. For information about the transceiver modules and cables supported by the

H3C S9820-8C Installation Manual

Comprehensive H3C S9820-8C Installation Manual - View online, download PDF. Learn about installing, configuring, and troubleshooting this high-performance switch.

H3C S9820-8C Switch

Network planners. Field technical support and servicing engineers. Network administrators working with the S9820-8C switch.

H3C S9820 Data Center Switch Overview

H3C S9820 Series Data Center Switches DataSheet - Free download as PDF File (.pdf), Text File (.txt) or read online for free. The H3C S9820 series switches are high-performance, high-density Ethernet

Red Dot Design Award: H3C S9820-64H

The H3C S9820-64H is a high-density switch for cloud data centres and high-end applications. It offers high-density ports with 100, 40, 25 and 10 Gbit / s and a forwarding capacity of up to 12.8 TB / s.
