UAE Standard Cable Tray Supplier

Overview

Cable Tray Manufacturers in Dubai, Abu Dhabi, Unigroup Cable Trays, Channels and Trunking Solutions are proudly manufactured in the UAE to the highest inte.

Key Takeaways

Top cable tray manufacturers in the UAE include METAR, Bonn Metal Construction Industries (BMCI), Unigroup, Ruwais Steel, and Emerald Steel Industries, offering high-quality, ISO-certified cable management solutions for industrial and commercial projects. Leading Manufacturers1.

META

R – Based in Dubai, METAR specializes in engineered steel cable trays and support systems for construction, infrastructure, and industrial sectors. They manufacture mild steel, pre-galvanized, hot-dip galvanized (HDG), and powder-coated trays suitable for indoor, outdoor, coastal, and industrial environments.

META

R offers custom sizes, thicknesses, and load ratings, ensuring compliance with international standards for load-bearing capacity, corrosion resistance, and structural stability. 2. Bonn Metal Construction Industries (BMCI) – Located in Sharjah, BMCI produces over 12,000 tons of cable management systems annually, including cable trays, ladders, trunking, and strut channels.

Their products support electrical power, signal, control, and communication cables across industrial and commercial projects.

BMC

I emphasizes precision engineering, quality control, and timely delivery, making it a flagship supplier in the MENA region. 3. Unigroup – Unigroup manufactures high-performance cable trays, trunking, and channel systems in the UAE, designed for modern infrastructure.

Their offerings include perforated trays, ladder-type trays, wire mesh trays, and GRP (glass-reinforced polyester) systems. These products are engineered for corrosion and fire resistance, ease of installation, and long-term reliability. 4.

Ruwais Steel – Ruwais Steel provides a wide range of cable trays, including powder-coated, stainless steel, ladder, trunking, galvanized, perforated, and hot-dip galvanized options. They focus on ISO 9001-certified manufacturing processes, ensuring tensile strength, dimensional accuracy, and durability for industrial and construction projects across the UAE. 5.

Emerald Steel Industries LL

C – Based in Ajman, Emerald Steel Industries manufactures and supplies cable trays, troughs, U-channels, strut supports, cable ladders, and trunking systems. They offer hot-dip galvanized trays in standard 3-meter lengths with light, medium, heavy, and extra-heavy duty options. Their products comply with BS 4678 standards and are widely used in oil, gas, and industrial projects.

Key Considerations

Material & Finish: Mild steel, pre-galvanized, HDG, stainless steel, and powder-coated options for corrosion resistance. Customization: Many manufacturers provide custom sizes, thicknesses, and load ratings. Certifications: ISO 9001 and compliance with international standards for load, corrosion, and structural stability.

Applications: Suitable for industrial, commercial, infrastructure, and coastal environments. Support & Documentation: Technical documentation, AutoCAD design assistance, and project-specific fabrication are commonly offered. These manufacturers collectively cover the UAE market, providing reliable, high-quality cable management solutions for diverse industrial and commercial applications.
