Waterproof electrical distribution box manufacturer price list

Overview

Waterproof Distribution Box | IP65 Plastic DIN Rail Configure as a waterproof electrical distribution panel box with breakers and relays. For custom drilli.

Key Takeaways

Leading manufacturers of waterproof electrical distribution boxes include SinoBreaker, ZCEBOX, VIOX Electric, Selhot Electric, and Saipwell, offering IP65–IP68 rated enclosures with prices typically ranging from $20 to $200+ depending on size, material, and customization. Key Manufacturers and Product Features1. SinoBreakerOffers AT and HT series waterproof distribution boxes with IP65–IP68 ratings.

Materials: ABS or polycarbonate, UV-stabilized for outdoor use. Configurations: Compact AT series for small installations, HT series for larger setups with DIN rail options. Applications: Outdoor lighting, solar arrays, industrial automation, EV charging.

Pricing: Typically $20–$150 depending on size and configuration; custom builds available. 2.

ZCEBOX

Produces IP65 & IP66 rated boxes for industrial and outdoor use.

C

E & RoHS certified, durable materials. Custom solutions available for specific wiring or environmental requirements. Pricing: Usually $25–$180, depending on size and customization.

3.

VIOX Electric

Specializes in stainless steel distribution boxes (grades 201, 304, 316).

High I

P ratings for dust and water protection, corrosion-resistant for harsh environments. Features: Quick-access panels, modular components, flame-retardant materials. Pricing: Higher-end, typically $80–$200+ for stainless steel enclosures.

4.

Selhot Electric

Offers IP65/IP67 waterproof boxes made from UV-resistant PC/ABS. CE/TUV certified, with custom knockouts and factory-direct pricing. Suitable for outdoor and industrial applications.

Pricing: Generally $30–$150, depending on size and features. 5.

Saipwell

Provides a wide range of materials: polycarbonate, aluminum, steel, and fiberglass. Customizable sizes and OEM/ODM support. Applications: Indoor, outdoor, marine, and industrial environments.

Pricing: Varies widely, $20–$200+, depending on material, size, and customization.

Pricing Considerations

Material: Plastic (ABS/PC) is more affordable; stainless steel or aluminum is more expensive. Size and number of ways: Small 4–12 way boxes are cheaper; larger 12–24 way or multi-DIN rail boxes cost more.

I

P Rating: Higher ratings (IP67–IP68) for submersion or extreme conditions increase cost. Customization: Knockouts, pre-assembled wiring, or OEM/ODM options add to the price.

Recommendations

For residential or small solar projects, compact plastic IP65 boxes from SinoBreaker or ZCEBOX are cost-effective. For industrial, marine, or harsh environments, stainless steel boxes from VIOX or aluminum/fiberglass from Saipwell provide durability. Always confirm IP rating, UV resistance, and certification (CE, RoHS, TUV) for outdoor or safety-critical applications.

By contacting manufacturers directly, you can obtain accurate quotes tailored to your size, material, and customization needs.
