

What are some cable tray processing factories in the UAE

Overview

Unigroup Cable Trays, Channels and Trunking Solutions are proudly manufactured in the UAE to the highest international standards.

Key Takeaways

Several reputable cable tray manufacturers operate in the UAE, offering a wide range of products for commercial, industrial, and utility applications. Key Manufacturers1. Unigroup Unigroup manufactures high-performance cable trays, trunking, and channel systems in the UAE, serving Dubai, Abu Dhabi, and Sharjah.

Their product range includes perforated trays, ladder-type trays, wire mesh trays, and GRP (Glass Reinforced Polyester) systems. These trays are designed for durability, corrosion resistance, and fire safety, suitable for both light and heavy-duty applications, with options for customized solutions. 2.

West Port Cable Tray West Port Cable Tray provides cable trays, cable ladders, Unistrut channels, cable trunking, and wire mesh trays. They cater to light, medium, and heavy-duty applications and emphasize modular, adaptable designs for commercial and industrial projects. Their products are engineered for ventilation, protection, and ease of installation.

3.

INDEX INDE

X is an ISO 9001: 2000 certified manufacturer with over 40 years of experience. They produce cable trays and management systems approved by European quality standards.

INDE

X specializes in custom designs, converting client drawings into finished products, and offers solutions for both Middle Eastern and international markets. 4. Hutaib Electricals Hutaib Electricals manufactures ladder-type, perforated, wire mesh, and solid-bottom cable trays.

Their products are tailored for Dubai's construction environment, focusing on fire resistance, ventilation, and flexibility for modifications. They are suitable for high-rise buildings, commercial spaces, and IT/telecommunication setups. 5.

Additional Suppliers Yellow Pages UA

E lists other leading cable tray manufacturers and suppliers in Dubai and across the UAE, providing options for industrial applications and custom specifications.

Summary

These factories offer a variety of cable tray types, including ladder, perforated, wire mesh, and solid-bottom trays, with options for custom designs, corrosion resistance, and fire safety. They serve sectors such as commercial, industrial, utility, and IT infrastructure, ensuring compliance with international standards and providing installation support. For specific inquiries, contacting the manufacturers directly is recommended to discuss project requirements, load capacities, and customization options.
