What are some manufacturers of cable tray support frames

Overview

Top 10 Cable Trays Manufacturers And Suppliers | B2B HeadlinesThis list of top 10 online B2B marketplaces and manufacturers will lead you to find your perf.

Key Takeaways

Top cable tray support frame manufacturers include Atkore, ABB, OBO Bettermann, and voestalpine Metsec, recognized for quality, reliability, and global service.

Leading Manufacturers

Atkore International is a global leader in cable tray systems, offering a wide range of cable management solutions including ladder, perforated, and channel trays. They are known for high-quality materials, extended warranties, and extensive customization options suitable for construction and renovation projects worldwide.

AB

B manufactures cable trays including perforated trays, cable ladders, and strut metal framing. Their systems are designed for durability, adaptability, and ease of maintenance, with production facilities in Canada and Saudi Arabia ensuring rapid delivery and support for large-scale projects.

OB

O Bettermann has over 100 years of experience in cable support systems. They provide comprehensive solutions with a focus on efficiency, safety, and reliability. Their products are designed to withstand diverse environmental conditions and mechanical loads, making them ideal for industrial installations. voestalpine Metsec specializes in cable containment and support systems, including ladders, trays, trunking, and metal framing.

They offer prefabrication services, BSI Kitemark certification, and BES 6001 accreditation, ensuring high-quality, traceable, and cost-effective solutions for both large-scale and bespoke projects.

Key Considerations

When choosing a manufacturer, consider: Product Range: Ladder, perforated, channel, and wire mesh trays with compatible accessories. Customization: Ability to provide bespoke solutions for specific project requirements. Certifications: Compliance with international standards such as BSI Kitemark or DIN EN 61537.

Support & Service: Onsite installation support, design software, and global distribution. Durability: Resistance to corrosion, mechanical loads, and environmental conditions.

Conclusion

For high-quality, reliable cable tray support frames, Atkore, ABB, OBO Bettermann, and voestalpine Metsec are among the best manufacturers globally. Selection should be based on project scale, customization needs, and compliance requirements to ensure long-term performance and safety.
