Wholesale of Metallurgical Spectrometers from Australia

Overview

Compare Spectrometer & Spectrophotometer quotes from leading suppliers in Australia. As a specialised segment of our Test and Measurement portfolio, these handheld spectrometers allow operators to conduct rapid, non-destructive material analysis. Spectrosource sells and services Belec Spektrometrie Opto-Elektronik GmbH Arc/Spark optical emission spectrometers for metal analysis in the Australian and New Zealand region. Our experienced and dedicated sales team is there to assist you with your analytical and metallurgical requirements. Our comprehensive line of instrumentation offers a full range of high quality products giving you complete. John Morris has been the leading supplier of research, laboratory and analysis equipment for over 70 years Our team can help you design a solution from concept through to delivery. ICP-TOFMS ICP-OES OptiMass 9600 The OptiMass 9600 ICP Time-of-Flight Mass Spectrometer 9600 builds upon.

Article Content

Industrial Spectrometers | Handheld Analysis | John Morris Group

Since 1952, John Morris Group has supplied the Australian engineering and scientific sectors with validated spectrometers and precision testing tools. Our ISO 9001 certified and NATA accredited

Spectrometers

Spectrosource sells and services Belec Spektrometrie Opto-Elektronik GmbH Arc/Spark optical emission spectrometers for metal analysis in the Australian and New Zealand region.

LECO Instruments | LECO Australia

LECO Australia is a leading Laboratory Instrument supplier in Australia. Our experienced and dedicated sales team is there to assist you with your analytical and metallurgical requirements.

Premium Laboratory Equipment & Consumables Supplier in Australia

Leading distributor of scientific instruments, laboratory equipment & consumables across Australia & New Zealand. Explore trusted brands & expert support at John Morris.

Top 100 Spectrometer Manufacturers in Australia (2026) | ensun

Discover all relevant Spectrometer Manufacturers in Australia, including Portable Spectral Services and Radiant-Instruments

spectrometer suppliers Australia

Find where to buy products from Australian suppliers, including: distributors, industrial manufacturers, bulk supplies and wholesalers of raw ingredients & finished goods.

Spectrometer & Spectrophotometer for Sale

Compare Spectrometer & Spectrophotometer quotes from leading suppliers in Australia. Get 3 quotes to review price & specifications of products for sale. Trusted by 1.4 million industrial

SPECTRO Analytical Instruments | DKSH Australia LabShop

SPECTRO, a business unit of AMETEK Inc., manufactures advanced instruments and develops the best solutions for elemental analysis in a broad range of applications.

New & Used Spectrometers for sale in Australia | Machinio

© 2026 CJC FIBRE CONSULTANTS - All rights reserved

6 New & Used Spectrometers in Australia Spectrometer Flame Emission Colorimetry A/A With RS232 and Software The Student Spectrometer allows for the study of flame emission, atomic absorption

Spectrometers and Spectrophotometers Price in Australia

In 2023, approx. 32K units of spectrometers and spectrophotometers were imported into Australia; surging by 9.5% on 2022 figures.

Spectrometers for the metallurgical industry

Find your spectrometer for the metallurgical industry easily amongst the 23 products from the leading brands (Bruker, Shimadzu, Elementar, ...) on DirectIndustry, the industry specialist for your

Sanwa – Australia''s largest metals trading company

Australia''s largest metals trading company Products Metals Metallurgical Polymers Bulk Shipments Part or full vessel shipments.

Spectrometers & Spectroscopy Equipment | Edmund Optics

Explore optical spectrometers, systems, and components for spectroscopy, detection, and analysis. Ideal for UV-VIS, NIR, Raman, and fluorescence applications. Shop now at Edmund Optics!

Australia and Oceania X-Ray Fluorescence Spectrometers

The Australia and Oceania X-ray fluorescence spectrometers market comprises the sale, installation, and aftermarket servicing of benchtop, portable, and handheld instruments used for non

Spectrometers companies from Australia ⇒ chemeurope

Lambda Scientific was founded in 2005, with headquarters in Adelaide, Australia. We have been manufacturing a wide range of high-quality spectrometers since then. Our main products include

Dickinson''s Metallurgical Supplies

Dickinson''s Metallurgical Supplies a force in the Australian foundry and steel-making industry. About us Our journey began with a vision to

Precision Analysis: The Role of Spectrometers in Metallurgical Testing

Modern spectrometers provide faster analysis times, higher accuracy, and improved detection limits compared to traditional chemical testing methods. They offer non-destructive testing

Metallurgical Image Analysis Software Exporter, Importer,

© 2026 CJC FIBRE CONSULTANTS - All rights reserved

Metallurgical Image Analysis Software Introducing our high-performance Metallurgical Image Analysis Software, the finest solution for analyzing and processing images of metallurgical samples. With over
